“ *Beautiful service. I only knew your dad for a short period but the love he had for Sandy and his children was evident every time I was at your house. May all of you be comforted during this diffucult time.*

“ So sorry to hear of Dave's passing. He was such a great friend and neighbor to us over the past 30 something years. I am sure Randy and Dave are sharing a lot of fish stories, and hope they are telling the truth this time. He was such a good friend to Randy Jones during his last couple of years. Taking him to IHC for radiation treatments and visiting with Lila several times a week. Some of the stories they told, I sure miss that. Dave and Randy took 3rd place in the WON Bass Tournament at Lake Meade a few years back and 1st place day one for Largest Bass. A better friend cannot be found. Thanks for all of the wonderful memories. Bonita Jones
