“ Grandpa Dave is the best man to have ever been in my life. My brother & I are so blessed to have shared so many great memories with him. Since losing our dad, Jason, in 1996 grandpa always made sure that Dustin & I were taken care of and was always there for us. We are going to miss him so much and he will always be a huge part of our hearts. I will cherish every memory of him and do my best to make him proud. My thoughts and prayers are with Grandma Lindae at this time. This happened way too soon, and none of us were expecting it. As selfish as it is to want to keep him forever, I know he is in a better place and always looking over us. Rest in peace papa, until we meet again.

“ David was a hard working guy. He always made sure his family had their needs meet. He took in many family members and provided a home for them while they was going through some hard time. David was a quite man with little words but had a BIG heart!
. He will be misses by many especially his wonderful wife Lindae who was alway by his side. They worked together, traveled together and played together. May we all find peace and know that he is free of pain. I know he is in a better place at this time. I know because of my beliefs that we can see him again. Lindae he will walk by your side and I hope you will feel his presents. . We are only apart a short time. . God can bless you through these hard time. I love you and pray for the Lords will be with you, all you need to do is get on your knees and ask for his help and he will give you comfort. Love you, Lindae! From Marsha Echols

It,s not very often that one is lucky enough to find a life time friend, especially of the opposite sex. Dave was my life time friend. We laughed and cried together. My heart is broken. I will miss you dear friend. Rest in peace untill we meet again. Loretta Fox
