It is with great sorrow and much love we mourn the unexpected passing of our beloved David McBride of SLC, Utah on July 20, 2023. He was 47 years old.

He was born to Linda McBride in Jackson, Michigan in 1975, and moved to SLC, UT in 1983. He met his wife Sara in childhood. She is the love of his life. They have been together for 18 years. They were happy together and had a wonderful marriage. They have a son, William that he loved dearly. They have four adorable canines that he cherished. Bella, Serenity, Penny and Luna. He was a great provider, hard worker, and a loyal employee.

In his free time, he liked being home. He enjoyed spending time with his wife, son, their canine babies, family and friends. He liked maintaining his home, and working on projects. His biggest project was the 1971 Chevy Camaro that he built from the ground up. He loved working on this exquisite machine.

He is survived by his wife Sara, Son William, siblings Dana, Cheryl, Charlie and Turtle. His beloved canines Bella, Serenity, Luna and Penny. Extended family and friends.

He is preceded in death by his mother Linda, nephew Jesse and canines Beau and Teddy.

“ *The Good die Young they say the new David we're like a big brother to me words can express this heart that I have. You were my last and only connection to my family, you help me stay humble you reminded me to take home and you taught me to always stay respectful. You sir you're one of the best gentlemen I know. This was one life together and I'm sure another to come can't wait to see you and Linda, Grandma and Grandpa and my mom.... I love all of you with all my heart you guys were the most important to me. I'm truly going to miss you. I'm sure going to miss us discussing we're being a family would be like camping trips together. I wish we could have done that. I wish we could have done more but we talked about it often. So next time around we'll make sure we do those things okay. I love you.*

“ This is Troy Kehl . Dave has been a part of my life for seven years. He has been an awesome friend and coworker. He was always willing to help with anything. My best memories every morning (5:30 am) we would walk in to clock in we would talk about dreams and cars mostly cars. Dave was so down to earth. Dave called me T-ROY I already miss him walking into work and seeing his empty parking spot.
