“ *We moved into the Park in January of this year and had the Blessing of getting to know Mr. Dave in these 11 months. I wish I had more time with him, we always had such good chats from our yards. My son Mateo loved him so much and would love greeting him every single day. He was always willing to help me any time I was in need. He was the sweet face we would see every morning across the way on his patio. The night before his passing he greeted us outside that evening with a huge smile. One I hadn't seen before. My son said his name 3 times making sure he said something to him before he was put in his car seat. I am so grateful to have known you Mr. Dave. You will be greatly missed by my little family. Our homes just aren't the same without you. Lots of love to you!*

“ *I remember going over there for dinner while all our dogs played in the yard. Dave was so sweet and caring, I wish I had known him longer.*
