“ *David and I enjoyed watching our boys play soccer together. David was always quick with a smile and a hello. We talked about all kinds of things, in between yelling encouragement and some advice to the boys as they played. He was never anything but kind and encouraging to me and our family.*

*Since our boys are not now in the same school, I haven't seen David for months. I would have liked to see him again before he was called home, he was a good man. RIP buddy.*

*Our thoughts and prayers are with sweet Stacey and Sam. Please let us know if either of you need anything.*
