“ *It was so nice to get to see Dean while we have been visiting Louise over the last few years. My strongest impressions of him are sweet and peaceful. It was hard to see him go through some physical challenges in the last couple of years. Having a strong faith that our days really are numbered and that God is in charge of when we pass through the curtain of mortal life, I'm happy for him to be in a place of peace and rest. Bless you Louise and family as you continue life's journey without him here. I'm certain he'll be often near in spirit. With Love, Tanya Wadley*
