“ *I remember going to the Provo Haunted House and her just laughing and screaming the whole time because of the people up there, then when the headless horseman was chasing me all over up the hill and down she laughed so hard. She was always there for me not matter what was going on and I was always there for her too if she had a problem she would call me and we would talk about it. I am going to miss her so much and I love her a lot. I will miss you tons. Rest In Peace Debbie*

“ I remember I wanted to make a quilt for Tyler for his birthday and Debbie was so happy to help with it. I didn't get the chance to finish it after we got married and moved to Bountiful. Debbie offered to finish the blanket herself and with my mothers help as a surprise to Tyler for his birthday. They finished it and Tyler was so surprised and loved it. She was such a caring person and loved to make other people happy.
