“ *I send my love to Mike, Colleen, Mary, Nancy and the rest of the family. I remember Della as a fun loving and happy person. We worked together a lot. In fact she got me one of my first jobs as a Hostess at South Seas restaurant. We worked together sewing drapes as well.*
I loved Della so much; her sense of humor and her contagious laugh. She was always so fun to be around.
I love you Della. I'm glad to be called your Sister-in-law. ❤️
