

## Dr Tyler Seanoa Taumoli

July 22, 1976 - October 17, 2023

Dr. Tyler Seanoa Taumoli, 47, passed away unexpectedly from a medical issue, resulting in a car accident near his office the morning of October 17th, 2023. A loving husband, son, brother and uncle, Tyler uplifted everyone around him with his amazing smile, laughter and love. A gifted healer and friend, Tyler had an ability to just make everyone feel special. Simply put, he was the best of us.

Tyler was born on July 22, 1976 in Calgary, Alberta, Canada. He lived his childhood years in Richmond, British Columbia. Tyler earned a college scholarship playing basketball, served an LDS mission in California, and then moved to Utah to continue his education. He completed his degree in Exercise Sports Science at the University of Utah and then graduated from Parker University with a Doctorate in Chiropractic. After gaining chiropractic experience working in Texas and Utah, he established Utah ChiroSport in West Jordan, Utah where he was able to share his talent and serve so many for years. He devoted countless hours to studying and refining his techniques, ensuring the utmost care for his patients. All while giving hope for healing, to all he treated.

Shortly after moving to Utah, Tyler met Lani, the absolute love of his life. They married on December 30th, 2000, in the San Diego Temple. They spent most of their twenty three plus years of marriage living in Utah, but also lived in

California and Texas, where they made many dear and lifelong friends. For many years they lived either together or next door to Lani's sister Leialoha, her husband Adam, and their three children. While Tyler and Lani never had biological children, these years gave them the opportunity to find a bond with Chloe, Colin and Wyatt that made them feel like their own. Tyler always viewed their relationship as one of his greatest gifts from God. He cherished the fact that Chloe and Colin even got to work alongside him and Lani at the clinic they built together. Tyler also loved his dogs Buster, Bear, and Molly.

Tyler is survived by his wife Lani, parents Beverly and Visa Taumoli, siblings Wade (Sarah) Taumoli, Kim (George) Westerlund, Tia (Johnny) AINU'u, Kelsey (Dan) Petersen, and mother & father-in-law Laurie Anne and Ian Pung. Tyler was also an older brother to Lani's five siblings, their spouses, and he was the favorite uncle to twenty five nieces and nephews from both sides of their family.

Tyler is Forever Loved, Forever Missed and Forever Remembered...  
Until we are together again.

Funeral services will be Saturday Nov 4th, 2023. They will be located at the LDS chapel 12737 South 6000 West, Herriman, UT 84096. The viewing will be from 11am-1pm, and the service from 1-2:30pm. All are welcome.

“ I am deeply saddened to read this news. I remember Tyler as an outstanding young man while teaching at Palmer Secondary. As a student he was hard working, kind and considerate. As an athlete I remember a keen competitor who played hard and made his presence felt. His great smile brightened any day. My deepest sympathies go out to Tyler’s family. May he rest peacefully.

“ I remember Tyler when he was a teenager playing basketball with other young men in Richmond Ward. He was full of energy, big laughs that filled up the gym and always on the go. At an early age he already has shown service to others as he gladly help out in every church activity. I am sure he will continue his work of service on the other side of the veil...He will greatly be missed...Our deepest condolences to Tyler's family ❤️🙏
