“ *I just learned of Buds passing, and I wanted to express my deepest sympathy from my family to Donna and your family. I worked with Bud for many years on the Fire Department. Bud was the first person I met, my first day on the job, and we worked on the same crews for many years. Bud was always there for everyone with a big smile, and a big heart. It makes me smile to think of all the pranks, and jokes that Bud pulled on each of us throughout the years. I know Bud loved, and was proud of his family, because he talked about them often. Bud will be deeply missed by all his Fire Department family. Rest in peace Chief.*

“ I want to express my gratitude to your family for allowing me the opportunity to be of service to Bud during his final days. It was an honor and a blessing to me to meet you and to be with you during this special time. Even though I couldn't be physically present at the funeral, my thoughts and prayers were with you. Thank you so much for your kindness and your wonderful examples of love and devotion.

“ My name is Paul Beckstead and I worked with Bud for many years on the Fire Dept at Tooele Army Depot. He was a caring person and would go out of his way to help anyway he could in any situation.

I valued his friendship even if I hadn't seen him for a year or so. My condolences to Bud's family.

RIP Bud. Say hi for me to the big Fire Chief in the Sky.  
Paul
