“ *I was so sad to hear about the loss of Edson. He was a great kid! I remember him in Primary. His younger brothers were a bit of a handful but Edson was always polite and listened to the lesson. He was kind and a leader. I enjoyed seeing him grow up and mature into a fine young man. He will be missed!*

“ *We are very sad to hear about Edson! We really thought he was a great kid and loved spending time with him for baseball road trips. Ironically, our younger son has a boy on his baseball team that could have been Edson's twin from when he was young. It will be hard to watch him and be reminded of what a sweet, friendly gracious boy Edson was. We were so excited for his new adventures and so sorry his life was cut short. We are better for knowing him. Love and prayers to all his family and friends. The Brown's in CA. (Josh Wills-King's parents)*
