

Elissa Ida Molling

May 18, 1936 - July 30, 2016

Elissa Ida Molling returned back into the arms of her beloved husband Albert Molling on July 30th, 2016. She was received with the highest respect by her loving Heavenly Father. This reunion with her loved ones was the greatest joy she ever wanted. She was born in Brooklyn, New York on May 18, 1936 to Sol Toubail and mother Molly Hanan and raised by her mom Sarah Toubail. Elissa is survived by; Mitch (Lisa) Molling, Marc (Soni) Molling, Troy (Cindy) Molling, Nadine (Todd) Veibell, Melody (Scott) Thieme, Mike (Jessie) Molling, and David (Jackie) Molling; brother Abraham Toubail; many grandchildren and great-grandchildren who love her dearly, and were with her until the end of her time here on earth. Elissa was a loving wife, mother, grandmother, great-grandmother, and friend to everyone she came into contact with. She was the greatest example of love and humanity to everyone. She moved to San Francisco and San Jose where four of her children were born. She found her testimony of the LDS church in California and then moved to Utah after Albert joined the church, where the Molling family was sealed together forever in the Salt Lake City Temple.

Elissa held many roles during her lifetime; President of Bnai Shalom, Toastmaster Presidents, LDS Australian Missionary 2003-2005, joint partnership in the charity organization for community service of "Together Yes We Can" and completing extensive family history and genealogy. Her main lifetime role was being an humanitarian.

Elissa was full of compassion towards others. She was always very positive and looked at the glass half full in any challenge that came her way. She had a beautiful spirit about her and others were drawn toward her wherever she would go. Elissa loved to travel and had visited almost every continent. She would travel with her family and friends whenever she got the chance and loved being by the ocean as she called it her home!! Elissa worked hard and always had to complete anything she started. She would help anyone, with anything, at anytime.

She was loved by her family immensely and to her family she was the most precious person on this Earth. Elissa will be forever in the hearts of friends and family and her legacy will always live on in our hearts, minds and souls.
