“ *My whole life I've known Eni as my uncle and than I started working with him at the airport for a couple of years and he was my supervisor, Eni did not take his position like he was a shot caller, he actually work harder than most regular staff. Everyone loved being under his supervision because he he doesn't just talk he does the work!!! You will be missed Eni and you legacy will continue to live forever. Send my love and condolences to His children and the family 🙏❤️*
