“ *Melda it is my granddaughter. My favorite memory is when she was about 10 years old, there was an old broken down car in the garage. Melda would load up all of the kids are brothers and sisters, and put them in the car and pretend she was driving with all of them in her car.*

“ *Dear Toriz Family,
My heart goes out to all of you. Esmeralda was a beautiful girl, full of life, laughter, and love. I am certainly blessed to have been her teacher, and will carry the sunshine she radiated with me forever. Thank you for sharing this wonderful soul with me. We are all better due to her smiling influence.
Love,
