

Esther Rachel Maumasi

March 8, 1986 - April 19, 2016

Esther Rachel Maumasi, 30 years old, returned home to her father in heaven on April 19, 2016 in Taylorsville, UT. She was born March 8, 1986 in Dallas TX to Raymond Lei Maumasi and Sita Kamarita Taateo Maumasi.

Esther the third oldest of four daughters, was not only glamorous but very gifted. In just a span of thirty short years Esther shared many of her talents. From poetry writing, masseuse, cooking and playing the drums. Her greatest gift she shared was her love. Anyone who encountered paths with Esther always felt inspired to make a difference in the world. Her number one priority is always family. She focused on family over everything. We know the people she will miss the most will be her "babies" Daniel, Sita & her namesake Maybel-Faalataina Rachel, whom she often referred to as her saving graces.

Esther is survived by: Her parents Raymond & Sita Maumasi, her sisters Ana Manila (Laulu Matavaatele, Daniel, Maybel-Faalataina), Mary Maumasi (Mauricio & Sita-Maria), ace Imelda Caroline Maumasi, aunties, uncles, a great deal of cousins and many many friends.

Esther is preceded in death by: Raymond Jr Maumasi, Scot Sialafau, Henry Taufui, Saumonatoto Maumasi, and Davidicus Jamison Taufui.

“ *Esther you always had that beautiful smile so infectious. You brought love and joy to all those that knew you. So true and honest to yourself, you kept to your guns. We miss you so much but at the same time knowing that you are home in peace and happiness. Love you always from Uncle Sefo, Aunty Liz and Cousin Penny*

“ *Last time I remember Esther was that she has a bubbly, loving personality she was a great listener and someone to lean on when u needed to talk or rant. She was giving and honest a real down to earth chick that puts her family first. Her and her sister Imelda are like the crazy in love with their Dallas cowboys. She will be dearly missed and will leave a print on my memory as she will never be forgotten fly high Esther love u xoxo*

“ *Esther had a smile that stretched across the room. Her goodness and love were felt by all. You didn't need to be her best friend to know that she cared about you, it just swelled from her soul. What a great impact she had during her time on this earth; the world is truly a better place because of her. So, happy to have known her.*
