*My loving aunt Evelyn,
We had so many good talks and walks through life. I am for ever going to miss you. You were strength & love all wrapped up in kindness & joy! My prayers are with Uncle Joe and my cousins at this time of difficulty. I am so sad and over come that you left. I will treasure every photo, advice, & strength you gave me. You are a true Angel. I love you Aunt Evelyn, so much! In my heart is where you will stay.

Mi querida Tia Evelyn, gracias por todo, mientras crecía, mientras mi madre estaba enferma y después de su muerte. Gracias por mostrarme qué es "el amor" y cómo una mujer debe tratar a su esposo. Te amo y estás en mis oraciones. Por favor besa a mi mamá y mi abuela.

My heart is breaking, because I kept saying these past 18 years. I need to go see Evelyn and Joe. Our thoughts and prayers are with the Cordova family. I have soooo many fun memories of Evelyn. Our daughters danced in the Salt Lake Stars and performed all over. We had so much fun watching our beautiful daughters and Evelyn was so much fun to be with. During all the practices, after practice dinners and especially the performances. She was so proud of Michelle. But she was always so proud of her whole family and loved them to no end. I will miss you my friend. Love to the family - Laurie Jenkins and the Jenkins Clan
