Feleti “Fred” Moimoi, was born to his earthly parents Otani & Pilimilose Moimoi on October 26, 1959, in the small but humble village of Nuku’alofa, Tonga. Fred embodied the true and selfless love of God, which was why he was loved by so many. Fred was called back to his Heavenly Father on December 31, 2021 to prepare him and his family's mansion on high.

Feleti was a man of many talents & hobbies that he loved to share with everyone he met. One day he could be fixing a car engine with his bare hands, and the next playing along with his favorite “oldie” tune on the bass, guitar, drums, and a few other musical instruments that he had acquired the skill of in his time here on earth. Fred loved service, he gave everything and anything to his work. He was employed as a Funeral Counselor for Serenity Funeral Home for a few years and he was always doing what he could for

those he came across within his workplace and outside of.

After traveling from the islands to live in Canada and the U.S. Fred was a part of a Polynesian group with family members and friends. With that opportunity he traveled far and wide across all 50 states, many parts of Canada, and different countries where he shared his talents of dancing and playing music in a band. Fred accomplished a lot in his life, but if you were to ask him while he was here one of his greatest accomplishments in all his days he would tell you it was his marriage to his beautiful wife, Tu'umafua Mapuolesega Moimoi. He met his wife while performing and traveling the world and he continued that on within his own legacy with his wife and children.

Feleti is survived by his wife Tu'umafua, children – Lily Ngawaka, Emaleti Rosie, Feleti Stalin Jr. (Masina Maumau), Haini MichaelJets (Saili Moungaloa), Gordon Folaumoeloa, Annaletta Fuainga, & Saovale Silomiga Ginger & his grandchildren – Nia, Kime, Celeste, Sione, Nephi, MoroniFeleti, Hyrum, Katerina, Angileenaliliana, Otani, & Baby Haini. Fred was reunited with his dearly departed daughter, Leah Kathryn and many other family members who embraced his return. In addition to his surviving kin, he and Tu'u shared their love and opened their home to so many. Feleti was a blessing here on earth who touched so many lives and his legacy will live on through family and all those who knew him.

“ *Dear Tu'u and family,*

Amazing, but a year and 3 months after Freddy's funeral, we learn about his passing to paradise. Our deep condolences and sympathy to you all.

We have many many great memories of our relationship with you all in the St. Paul 3rd Ward and at the temple.

May you all be together again when the Savior returns and the millennium begins.

Our Love to you.

Tom and Katy Anderson (now living at Presbyterian Homes "Minnetonka Shores" in Spring Park, MN on beautiful Lake Minnetonka).

“ Uncle Feleti, thank you so much for sharing your many talents with me. When I first danced with you and your wife, I was so impressed by your love for your family, culture, music, and perfection. Oklahoma was a summer to remember! We practiced so hard to make the show perfect for you, and we still practiced even though we were tired and sweaty. The value of hard work and love was admired and appreciated. Dancing at Bali Hai in Minnesota, Canada, and everywhere else. You took care of me everywhere we traveled. It was so much fun being with you and your family and laughing at your so called funny jokes. I love you. Rest in peace Uncle.
Love,
