

Francisco Jesus Cuenca

November 19, 2007 - March 3, 2023

Francisco Jesus Cuenca “Gordo”-Cisco” ,15, of Salt Lake City, UT passed away on Friday March 03,2023 in Salt Lake City , UT. Gordo loved his family and friends very much! He loved to be outdoors feeling free, hanging out with his friends as much as possible. He had a very charming personality that would sweep you up like an overflowing river and you couldn’t help but to enjoy his company.

Along with his charming personality came a very strong will and determination to be the best in everything he did.

He will be sorely missed as a Son, a brother, a friend and as a ray of light in our family! We take comfort in knowing that Gordo did not go alone, because when he left he took a part of each of us with him!

May God embrace you and keep you in His presence until we meet again!

“ This past week I've been replaying memories of Francisco over and over in my mind. Being his teacher, I know I didn't see every side of him but I have many fond memories of him. My fondest memory of Francisco is seeing him patiently waiting for David after school. As soon as David would come out those doors, he would run to Francisco who would put his arm over David's shoulder. They would leave the playground like that, big brother with his protective arm over his little brother's shoulder. It always warmed my heart. I will forever treasure that image.

Francisco, you will be missed. You leave behind a legacy of leadership, charisma, charm, happiness, and devotion to your family. I'm grateful I got to be your teacher!

“ My condolences that you've lost a very young son before his life had really begun. If there is such a job in Heaven, I want to be an Avenging Angel under the guidance of God when I die. The ones who partook of his death will pay dearly...Hell, as I understand it is a place nobody wants to go. And if people read Revelations in the Bible, there would not be the violence there is today. May God bless his soul. I am so sorry.
