“ *Denise our family will never be the same without you. Thank you for raising Russell to be the most amazing man. I know you are both together now. I have many memories of you that are so priceless. I loved taking trips down memory lane with you. When you would talk about grade school and how you were on the safety patrol and loved playing hop scotch those are special stories I'm so glad you told me. You loved your kids so much and they all know that. A lot of girls don't like their mother in law but I sure did, I love you! Till we meet again!*

*Love always, Christie Gibson*
