“ *We have appreciated Gaydon and his family as neighbors for the past 20 years. The sharing of blackberries, raspberries and cherries from Gaydon's yard; the great fishing tips as well as fish to eat; his willingness to come to our mother's aid with her teeth as she was in her last stages of life; being true to the callings he had in the LDS church even up to the end when it was so hard. Our family was blessed as he dutifully and faithfully fulfilled his calling as our home teacher for several years. A valiant, caring, gentle, affable, generous, kind man. He will be missed!! Thanks for touching our lives for the better Gaydon! Joan and Dave Washburn and family.*

“ *We have many memories of Gaydon and Colleen. We've been home teacher and visiting teacher to them many times through the years. and a very nice friendship has developed. It was always enjoyable to go to dinner with them - remember the Chinese Gourmet Restaurant and Olive Garden to celebrate birthdays? There were many fishing trips with Gaydon and Ralph going to Strawberry Reservoir, Schofield or Deer Creek. Ralph enjoyed the time serving with Gaydon in the UVU Bishopric. Gaydon was very faithful to his Savior!! Thanks for the memories. Ralph and Gerri Larson*
