“ *Our meeting George and his family was a miracle. We knew his mother, Helen, in Camden, New Jersey when we lived there. We moved to Pleasant Grove, Utah and not long after Goerge and his family moved there from California about a block away from our house. Marilynne was driving home from church with some of our kids and a strange girl she hadn't met. Marilynne asked her name and when she gave her last name of Paullin, Marilynne said, "Oh we knew a Helen Paullin in New Jersey." The girl, Beth Paullin, said, "That's my grandmother and she's visiting us right now." That was the start of a long friendship with the Paullin family which continues to this day. We offer our deepest sympathies to all the family for the loss of their father and grandfather.*
