“ *I'm sorry to learn of Glenn's passing. I worked with Glenn at Kennecott for 15 years, from 1967 to 1982. During our breaks and at lunch time, we would sometimes walk around downtown SLC, being sidewalk superintendants to the many downtown projects during that time. I had a lot of respect for Glenn's knowledge and abilities in data processing.
He was one of the good guys at Kennecott.
My condolences to the family.*
