“ *Luisa ofa- I remember hearing stories about how him and grandma would work at school and be principals in Tonga. How he worked at the hukilau, and how he would be my own personal little doctor💕*

Love my dad he was the best dad I could ever ask for. Had a big heart and gives with all of his heart. Great at everything he did. Live a happy life. Fishing was one of his hobbies. He loved my mom so much. My children and their dad adored him.❤️❤️❤️
