“ *I was very saddened to receive the message from Rebecca that her father had passed away. Dixon was a good man...an honorable man. I knew him in the political world and he was one of the most decent, hard working, and trustworthy people I have ever known in elected office. We in Salt Lake County were fortunate to have him represent us.*

You never saw Dixon that he didn't have a smile on his face. He always made you feel happy he saw you.

My sympathy goes out to his family at this time. I know you will miss him, but know that he touched us all and made us all a little happier and a little better for having known him.
