“ *Hey Harry...My neighbor, friend, father figure to me. Thank u Harry for watching over me and helping me whenever I needed anything. I remember countless hours we spent talking about our life in the military. Growing up, our children, our Wendover trips, and the love u had about history, and going out to eat. I could go on and on about how special u were to me. We had a lot of good laughs, and I will miss that about u. I know you're going to continue to watch over us. Love you Harry. ❤️💜💙*
