“ *My name is Weston Dillingham and I've known Heather since we were about 4 years old. We went to BYU pre-school together in our special Deaf class. Then we also went to elementary school (Maeser and Joaquin). All of us were wonderful classmates and we all have fond memories of Heather. She was always quiet and shy, but she always had a genuine smile on her face for everyone 😊. Some of us friends just found out about her passing last week and we didn't know she had passed over a year ago! We were quite shocked and saddened to hear about it. Now we will surely miss her! I just want to thank Heather for being a big part of my life, as she is a very special girl. I know she is re-united with her family: grandma, mother, sister Robin and others. May she rest in peace as she truly deserves it. I love you Heather 📺❤️*
