“ *I had the pleasure of meeting Sue as we shared a journey together even for a short time. May you be at peace, be at rest as you take your next walk among the stars as Heaven received you as an Angel who walked so gently upon the earth. The Earth was a better place with you, and now we can hold our memories of you in our hearts forever.*

“ I’m so sorry to hear of Sue’s passing, I’m a cousin from WV. and we would talk for hours sometimes about our family history, she would also talk about how much her family meant to her. Her husband and children and grandchildren was her life, I never got the pleasure of meeting her in person, we both talked about how much we would like to meet, but with us living on opposite sides of the country it just wasn’t to be. She will be greatly missed.

“ I had such the privilege of being Sue’s friend. I had the opportunity to visit, sit and care for Sue for many months. I loved our conversations about natural healing, good food and relationships that meant so much to her. I loved serving her and her beautiful spirit. What a gift to call her my friend. I miss you already. Thank you Sue for blessing my life. I thank God for you. May you always have His love and arms around in joy
