“ Jackie was awesome! We love you, Jackie! Jackie always made life fun and she was always doing things for the family to have fun and enjoy life together. She always made us feel welcomed and loved and she was extremely generous and kind to us!! We just found out today that she died. I feel sad and my heart goes out to all. Jackie was an incredible matriarch! I have thought of her often and she was a very positive influence upon me! Hello to Frank and Jim and Becky!! We miss you all very much!! We hope that you are having meaningful moments in your lives and that you are safe and well!! We miss Michelle and Nathan also!!

“ Jim, Frank, and Becca, please know how much I loved your Mom. She was a fun and caring friend and gave me many fond memories of our times together. She loved her family above all but took so many others under her wing and treated them as family too. I was privileged to be one of them. My wish for you is that the pain for your loss will soon become sweet memories of your Mom and all the special times you had together. Sincerely, Vicki Gothard Johnson

“ *On behalf of all of the grandchildren, I can say Grandma Jackie was home for all of us. Always offering security and comfort, never asking questions, or passing judgement. Family came first for grandma and that showed in everything she did. She will always live within our hearts and be remembered for the kind and caring woman she was.*

“ *I always will love & remember Aunt Jackie for her joyful heart & the love she always showed toward me & my whole family. It is difficult to say goodbye for now. I Praise the Lord that I will get to see her again whenever I go to the Lord. I'm certain that she is so happy to see Michelle again.*

My dear cousins, though I have not seen you physically for many years, I have kept you in my heart & my love for you has never ended. I pray the Lord will comfort you during this most difficult time. I understand how you feel having had to say goodbye to both my parents. If you need to talk or anything at any time please don't hesitate to call me. (509)429-4089

“ To our Cousins, we send you love and prayers as you enter this different phase of life that will be forever changed without your Mom here with you. Remember the life lessons that she taught you and the love she spread over you all. Take care of each other and know your sweet Mom is guiding you from above. We will miss you Aunt Jackie more than words can express. You were the last of your generation and you will live on in our hearts. Be pain free and may you RIP.
