“ *Uncle Jimmy was very special to all of us. I don't think I can remember a time when he didn't have a smile on his face. A smile that would make you think he was up to something or about to say something funny. I will cherish that memory. Praying for all his family & those who loved him & will miss him.
Thank you Uncle Jimmy for your service. RIP* ❤️

“ *Uncle Jimmy was one of those special uncles. I have many memories of him joking with me and my other siblings and cousins, bringing laughter and humor into our lives, even though he had most likely witnessed tragedy in the two wars he had proudly fought in while in the army.*

His smile and the twinkle in his eyes will be missed. Rest In Peace dear Uncle Jimmy. ❤️
