

Jan Arva Wahlen Low

October 4, 1955 - June 10, 2024

Jan Arva Wahlen Low, 68, passed away peacefully on June 10, 2024, in Murray, Utah surrounded by some of her most precious loved ones. She was born October 4, 1955, in Murray, Utah to Robert and Betty Wahlen. She married Gregory K. Low on June 10, 1977, in the Salt Lake Temple. Jan held on long enough to spend the day with Greg to celebrate their 47th wedding anniversary while being surrounded by loved ones.

Jan loved and was loved by all. This gift was passed to her from her mom, Betty Wahlen who passed away when Jan was only 16. Jan is the third of eight daughters and the bond between these sisters is unbreakable. Jan had a wonderful marriage to her eternal soulmate and best friend Greg. Her greatest ambition in life was to be a mother. As a mother of four (Sara, Greg J, Jed, and Betty) Jan did everything in her power to love and guide her family in the Gospel of Jesus Christ. She was the epitome of long-suffering, dedication, and unwavering love, and was involved in every aspect of her children's lives. She diligently worked early mornings at the Jordan River Temple for 20 years at the local schools to ensure she could help provide for and be home with her children after school. She loved nothing more than being a mom and found her greatest happiness with her family.

Jan raised her family in righteousness. As her family grew from children to grandchildren, she showed the same unwavering love and gentle kindness to

her grandkids and would light up when they were near. She would attend every event she could including sporting events for school, dance, gymnastics, music concerts, church events and ordinances, and countless other activities to demonstrate her dedication and undying love for each grandchild. Time with Grandma was precious and coveted by all of the grandkids. Many nearly sleepless nights were dedicated to them to allow time to sleep over and play with Grandma. When it came to staying active, working hard, having fun in her home and garden, and giving love Jan was the ultimate example. Most of all she loved people and this love showed through her Christ-like attributes and countless relationships. She will be dearly missed.

She cherished her time with her husband Greg. Some of the things they enjoyed most were attending their children's or grandchildren's events, cycling, working in the yard, or traveling to Canada and across the world to Thailand. They were inseparable and their love was boundless.

She is survived by her husband Gregory K Low, daughters Sara Dearden (Brian) and Betty Nelson (Tony), Sons Greg J (Julie) and Jed (Ilea), and her grandkids; Issac, Ivy, Levi, Lily, Aiden, Annie, Cody, Taysom, Brandon, Alex, Vinny, Sammy, Michael, Denney, Ida, Jack, and Alice, father Bob Wahlen, sisters (Vickie, Susan, Kelly, Sally, Stacey, Mindy, and Jodi).

Thank you to everyone who has expressed their love and condolences. Jan's wish for us would be to have joy and live life to its fullest or in her words "Let's go have a party-arty!". Ultimately, words cannot describe how passionately she loved her family. From each child and grandchild, we wish to express again the deep impact she had on our family's lives and our gratitude for the everlasting love she bestowed upon us. We love you and will miss you for the rest of our days Janie/Mom/Grandma/Gaga.

“Hi mom! I miss you! I would give anything to call you and tell you about my week and all what you're up to. I'd tell you about how my neighbors house flooded and we have the best shop vac in the neighborhood so I ran over first thing in the morning to help stuck water out of their window well. I'd tell you about Ivy's visit to primary children's hospital. I'd tell you about Levi using the potty more everyday. I'd tell you about Lily and her hilarious personality she's only two but she's our funny one. I'd tell you that everyone I'm on the phone the kids cling all over me saying they want to talk to grandma Low. I'd ask you if you'd want to help me pull all the weeds in my yard and tell me v where to plant trees. I'd tell you about the Fourth of July and how we managed to complete the neighborhood breakfast. I'd tell you about all the odd dreams I'm having and how you're always in them. I'd tell you about the massage I got to help relax my muscles after a month of being tighter than a drum because this still just can't be real. I'd ask you if we made the right choice in the hospital. I'd ask you what it's like to be with Grandma Betty again. I'd listen for hours if you could tell me what it's like where you are. I'd ask you how I can help dad and Betty, Greg and Jed. Life isn't the same without you. There's a hole that will never be filled until we are reunited. I'll miss you until my last breath..... and then I'll ask you why?”

“ *Jan was my second mom growing up. I spent countless hours in the Low's home and swimming at the Wahlen's pool. Jan taught me many things, like that Swedish pancakes are the best pancakes, sometimes Clinique make-up and Paul Mitchell hair products are worth the splurge, and if you really liked a boy, you would know his whole house layout before you even stepped a foot in his front door. The most important thing I learned from Jan was her example of Christ-like love. She was always so kind and loving to everyone she met. You could feel the love Jan had for her family the minute you walked through the Low's door into their home. Thank you, Jan, for being an example of goodness in my life and loving me when I really needed it.*

“ *What a heart break! Jan and I had many hours of laughter and great conversations. She was so darn sweet about everything and her love of her family was always there. She was here at my home a day after losing our son, Joshua planting flowers in my front yard. That was Jan! My hubby and I had the great fortune of going to Thailand with them one time and what a treat! Greg was a great interpreter for us. Again Jan and I laughed alot and what a treasured memory we have. We are praying daily for you Greg and your children and grands. May you all feel His love and comfort at this time we pray.*
