“ Our deepest condolences to Ted and family. Janice was a beautiful person and we're going to miss her gentle soul. Being siblings, Ted and Janice remind us of our parents, and we've loved being their neighbors. We first learned about Janice's gardening skills within a couple of days of moving in. Janice came over to welcome us to the neighborhood with some of her homegrown tomatoes which were delicious. Then over the years, we would share some of our homegrown tomatoes with Janice, but they never seemed to taste as good as hers. At Christmas that first year, Janice and Ted invited us over for a visit, and that's when we got a hint that Janice loved Christmas. Her many decorations were on display and it was a sight to behold. Even her divinity candy was delicious and invoked memories of our childhood. Lastly, Janice loved her dachshund dogs, Willie and Willie II. May she rest in peace and be a guiding spirit for your family. Tammy and Lynette
