“ *My thoughts and prayers are with the Nelson family at this time. Jared was such a beloved individual and Camp K participant-- whether enjoying a night of karaoke or acting in the drama program. Jared brought light to each activity he attended and was always eager to be involved. He will be so missed and still holds such a warm impact on my heart from my time with Camp K.*

“ *Jared was one of the first camper's I met when I started my internship at Camp K. I remember he was always so welcoming and fun to be around. I got to know him really well since the summer and was always looking forward to seeing him! Sending you all our thoughts from Camp K.*

“ My condolences to Joye, Kerry and family. This is a hard time of change for the family and my prayers will be offered in your behalf. Time and change are an integral part of our experience in this life. It was a difficult time when the boundaries of our Ward changed and our area was jointed to the 2nd Ward. So many of Ward family were moved and adopted by other Ward family. I missed the Nelson's and was shocked when they moved from the area. I have fond memories of Jared in Sacrament meeting. His singing was loud and full of vigor, it inspired me to sing a little bit louder. Partly because of his example and partly to drowned out the key he was singing in. He was always willing to voice his opinion in Elder's Quorum meeting and offer his hand for a friendly greeting. Time and change are very important for each of us to be mindful of. It is Jared time to change, to move on to the next step in eternal progression. Jared I'm happy for you and have been blessed and changed by our association, you and your family have taught a great deal about this life and what's important. I love the Nelson's!
