*Jaron -- A very sensitive guy with the cutest women in his life and a loving mother and father and brothers and sisters. A guy who had thought about being a hermit type and living in a trailer by himself in the desert as an adult and never marrying or having children. And look what happened . . . two absolutely darling girls and a beautiful wife. I will always think of Tinkerbell when I see his girls. You could see the sensitivity in his eyes. Bless those who will miss him so, so much!*
