

Jarvis Tupua Mahe

June 28, 1967 - November 3, 2024

Jarvis Tupua Mahe, 57, returned to the loving arms of our Heavenly Father on November 3, 2024, in Murray, Utah. He was born on June 28, 1967, in Honolulu, Hawaii, to Liahona and Cherie Mahe. He was sealed to the love of his life, Vanessa Lokelani Alip, in the Oakland, California Temple on December 22, 1990.

Jarvis attended Capuchino High School in San Bruno, California. In high school, he enjoyed playing many sports, including football, wrestling, and track. Recreationally, he played tennis, basketball, and volleyball. Jarvis loved his time working at Delta Airlines after high school. He was called to serve an LDS mission in Peoria, Illinois, from 1986 to 1988. After returning, he attended Ricks College and served in the Army National Guard as a Combat Engineer.

In college, Jarvis began studying Civil Engineering. He and Vanessa became engaged during this time, eventually moving to Daly City, California. Jarvis worked as an aircraft mechanic for United Airlines, and along the way, they were blessed with two children, Spencer and Jazlee. He earned his Bachelor of Science degree in 1998.

In 2000, they welcomed their son Blaze, and the family moved to Elk Grove, California. Jarvis began his career with the California Department of Transportation as a Civil Engineer, working on notable structures, including

the Bay Bridge. He retired from Caltrans after 22 years.

In 2003, Jarvis and Vanessa welcomed Hunter. In 2006, Jarvis was called to serve as Bishop of the Liahona (Tongan) Ward, a role he loved, serving its faithful members. In 2008, the family was blessed with Ty. After being released as Bishop, Jarvis served as a Scout Master to many dedicated young men.

Jarvis was always involved in his children's church and sports activities, enjoying coaching his sons' basketball teams and being their #1 fan.

In May 2022, Jarvis and Vanessa felt inspired to move their family to Utah to be closer to their extended family. They joined and were warmly welcomed by the Karalee Ward, where Jarvis served as Teachers Quorum Specialist. He was grateful to work for AGECE, an engineering company, enjoying time with his son Blaze and other wonderful co-workers. Jarvis always hoped to work on projects involving temples.

Jarvis loved God and dedicated his life to His service. He cherished his beautiful wife Vanessa, his children Spencer (Arcelia), Jazlee (Lopeti), Blaze, Hunter, and Ty, and his grandchildren Kiara and Kekoa, with all his heart and soul. He knew his family would be together forever.

Survived by:

“ Our hearts are broken for the Mahe family for this difficult loss. There are not enough words to express our heartfelt sympathies. To those who knew and loved Jarvis, his life echoed the strength and faith of Captain Moroni, a warrior not only in deed but in spirit. As the former Bishop of our Liahona Ward, his loving guidance to place God over culture was rooted in his love for God and his commitment to live according to His will-- a courageous example to all of us. Jarvis reminded us to turn to God and to seek strength in the Savior. He bore his testimony in the way he lived each day reminding us that true strength is found in the quiet power of faith and service. Countless memories to be shared of a loving and God-fearing man who loved and cared about those he served. Jarvis' earthly presence will be sorely missed! He leaves behind a legacy of devotion and courage in his family. All our love and prayers from the Cocker family to Vanessa, Spencer, Jazlee, Blaze, Hunter, and Ty, our eternal friends.

“ There wasn't ever a time that Brother Mahe didn't greet you with a warm embrace or handshake. Always smiling and happy. He filled the room with his spirit and when he whispered his testimony of Christ it felt like a lion's roar. What a great example of a husband & father. You knew he loved his family. Left us way too soon but will never be forgotten.

My deepest condolences to the family. May I express the best that I can and still would fall short on how I felt in his presence. With a warm welcome and a big smile I always felt place in his presence with the sweet spirit brought us together as one in Christ! His magnitude of love that he shared with me is an exemplified of the love that he has for the Savior! I have found so evident of a reflection of his lie through his children! They are absolutely amazing! And his lovely bride the Lord has blessed him with because the good that he did and a pre-mortal life! My love for him and his family is beyond measure and may God bless you always with his open arms is my prayers! ❤️🙏😊👍

Jarvis Mahe was and is a beloved friend. I knew he was a special spirit/man the first time I saw him in Priesthood meeting and hoped we would become good friends. What an honor it has been for me to be blessed as a minister to Jarvis' family. When The Lord called Jarvis home I was so sad for his family; he will be dearly missed by all who knew him. His wonderful family, although saddened by his temporary departure are truly comforted through Temple Covenants that allow all to live together again as families in the Kingdom of GOD. I saw Jarvis as an exceptional servant of God with a deep burning testimony and what a great example Brother Mahe was as we would hear his sweet Whisper TESTIMONY. Jarvis will always be in my heart never to be forgotten until we meet again on the other side. I love him. ❤️🙏

Jarvis was a great examples to me. We played football together but his great example to me was elsewhere. Before our ward and seminary split we were all together. I would sit next to him while singing songs for wards in the seminary choir. He was firm in what was right. My prayers are for his family. What a great person he was during a time when there were very few of our faith in our school.
