She was the ultimate party thrower, she celebrated every occasion and decorated hundreds of cakes for her parents, husband, siblings, children and grandchildren. She put everything that she had and that she was into the love and caring of others. She was a gentle soul who will be missed and remembered forever.

“ *I grew up in Green River. Utah and lived just across and down the street from Jeane. She was always a nice neighbor and I have fond memories of her, Larry and Stephen Beebe. May your family rest in knowing where she is and her spirit will always be as close as a whisper to all of you. Be thankful for her good she has done for her, the greatness of her heart and the way she touches you today. Jeane will always remind us of her family, for now. she is family and you will see her soon.*

“ *Dear Bob,*

I know your heart is heavy with conflicting emotions. I have great empathy. I am so grateful for the stories we have shared regarding the challenges and blessings that come from being in the service of our "Loved Ones!" You have been all things to your sweet wife. I know she has love you and appreciated your efforts for all the time she has depended on you. You are truly a wonderful man - something that Jeanne knows better than anyone. Your example in love, caring for and seeing to all her needs and comfort have been a tremendous example for many. You are a most Christ-like person, one who am blessed to know and learn from. I did not know Jeanne personally - but I knew her through you. May she have found rest from her mortal trials and comfort that you will be well until your reunion. Thank heaven for the knowledge we share.

My love and thoughts are with you and your family. My desire is that peace of mind and heart may be yours to carry you through this difficult time.

My love and strength to you and your family,

Kim Smith
