“ *I'm so sorry for your loss. There is nothing that can prepare a person for the feelings of losing a family member.*

The Bible describes Jehovah as a God of all comfort, at 2 Corinthians chapter 1 and verses 3-4. One scripture that has brought so many people comfort is Revelation chapter 21 and verses 3-5 because that describes a promise from God that is specifically touching to anyone who has experienced the pain of losing someone. Again, my deepest sympathies for your loss.
