

Jeff W. Belnap

December 14, 1958 - May 4, 2018

Jeff W. Belnap, age 59, passed away from cancer on May 4th 2018 in Sandy, UT. He was born Dec. 14th 1958 in Salt Lake City Utah to Vola Belnap and Wayne Belnap. He married his kindred spirit, Jill A. Tomlin on Feb. 12th 1983.

Jeff had fond memories of his childhood in Murray and later grew up to receive his bachelors in Mechanical Engineering from the University of Utah. In his later years you could often find him outdoors, fishing, sitting by a campfire, smoking his pipe, strumming his guitar and singing. He was honoured to have the opportunity to sing with the Salt Lake Men's Choir for several years and regularly came home singing a lovely assortment of Christmas songs starting in August. Most importantly, Jeff ensured his family and friends felt nothing but love. He was the most patient, loving and kind brother, son, husband and father anyone could hope for. He was and will remain to be, a peaceful presence in our lives.

Jeff is survived by his goddess, Jill Belnap, and his three rays of sunshine, Kayesha, Emma and Nicole. He is also survived by his siblings, Michael, Louis, Julie, Becky and his loving mother Vola.

He is preceded in death by his sister, Valerie and his father, Wayne Belnap.

Jeff has returned to the universal energy, his higher self. His wishes were for

us not to mourn his passing, but instead to celebrate his life. So, please join us in sharing food, drinks & memories on Sunday, May 20th at 4pm at 13100 S 1185 E Draper, UT.

Jeff's immediate family would like to thank everyone who supported them through this challenging journey. They would also like to thank Salt Lake Men's Choir for accepting him as he was and respecting his life choices. In lieu of flowers, his girls request donations to be made to the Salt Lake Men's Choir in his honour, <http://saltlakemenschoir.org/donate/>

I met Jeff at the Salt Lake Men's Choir. Whenever Jeff and I talked, he was so calm and serene—even when he was terminally ill with cancer. He's one of the kindest people I've met. I will miss you very much, Jeff.

“ *I worked with Jeff at WesTech. He was always happy! He loved to sing. He knew the words to so many songs; it was amazing. We could ask for requests. I loved his gentleness and kindness! He will be missed!!*

“ *I met Jeff while also in the Salt Lake Men's Choir. He was always smiling and always happy to be there and performance with us. He will surely be missed and I feel better knowing he is no longer suffering and is a member of the choir above.*

“ My condolences to the Belnap Family. I knew Jeff very well in High School, and worked with him later at UDOT. He was a sweet, funny, caring guy and I always thought of him as a good friend. I actually called him "Snap" along with a few other good friends. I last saw him at the High School Reunion. I made it a point to make sure he was invited even though he was smart enough to leave us all behind in the dust. I feel privileged I got a hug from him when he walked in. He was a wonderful man who loved his family and talked about his wife and kids proudly.
I am so very sorry for your loss.

“ Jeff came to work for me, Southern Water Technologies, Inc. on my birthday in 1998. In retrospect, working with him was one of the true highlights in the 30-year history of the company, and in my lifetime. Jeff was warm, pleasant, compassionate, and always a joy to be around. He would meditate in his office in the morning (playing his flute, or sometimes his guitar), and during his entire employment here, I never heard him say a cross word to anyone.

And just to show the kind of person he was, during his out-of-town business trips, after a long day of making sales calls, Jeff would go find a “soup kitchen” where he could offer some of his time and a smile to the homeless.

I’m proud to say that Jeff was among my dearest friends, and the world will miss him a lot!! Now, for sure, he’s an angel!!

“ What a wonderful man. I had the pleasure of working with him a very short time, but in that time, I learned a lot. Jeff would call me and say, “hold my calls”, I am meditating, and I thought what a cool thing! He was so kind, sweet, caring and giving. He loved his family immensely. Jeff was a special kool cat. He will always be remembered for his kindness and love of all. My last memory which I am so thankful for, was in Orange Beach in his rented hot rod.....He was pulling away from the restaurant, we had our windows down and I shouted I love it, you should buy one! Jeff was a one of a kind and I am so thankful I had the opportunity in my life to know him. Prayers to the family he loved so much.

“ *Jeff is everything you would hope a real man to be. He was kind, patient, sincere, and loving. The relationship he had with his wife and daughters was beautiful to behold. My very favorite times with him were on his boat on Strawberry Reservoir fishing with our wives. Until we meet again my friend.*

“ *I've known and worked with Jeff over the past 25 years. I first met him in May 1993 while working at WesTech. It would be hard for me to name a more pleasant, kind, and decent man. He has always been a good friend and colleague to all around him. I'm comforted by the knowledge that he is no longer suffering from the terrible health problems that had afflicted him, and he is now at peace. He will be missed by all who knew him.*
