“ *Russ, You may recall that I met your wonderful mother near the beginning of friendship back in 1977 - some 43 years ago. At that time, and a few additional meeting throughout the past four decades, she impressed me as a very loving and kind individual who cared a great deal about her family. You have been blessed to have such a dear mother who was actively involved in your life as a remarkable parent and mentor. Indeed, your success as a devoted husband, wise father, inspired Church leader, and respected business owner can be credited to the blessing of "having been born of goodly parents." Please accept my deepest and most sincere condolences on the passing of your mother. You can now join me in the "Orphans Club" for the balance of our days in this life. May the Good Lord bless you and your family.*

Jennie's work healed my family. Past misunderstanding and anger were done away with. I loved her as my mentor and best friend,

Karen Austraw and family.
