

## Jeremy Robert Tolman

May 27, 1975 - August 17, 2017

Jeremy passed away peacefully at his home on August 17, 2017 after a courageous battle with Huntington's Disease, he was surrounded by his loving family and friends. Jeremy was the family comedian, a lover of karaoke and the light of our lives.

Born on May 27, 1975, he is the son of Gary Robert Tolman and Carma Ann Andersen Tolman and the youngest of 6 children. Jeremy's naturally funny personality became apparent at a young age. He loved to joke, laugh and pull pranks on his siblings. As a teenager, he developed a passion for role play games such as Risk and Dungeons and Dragons, he continued to play for as long as he was able. He attended Kearns High School, where he played football and made friends that he would keep for the rest of his life.

After high school, Jeremy and several of his friends joined the Armed Forces.

Jeremy joined the United States Army and served with the Wolfhounds; 1st Battalion, 27th Infantry regiment, 2nd Brigade Combat Team. He was stationed in Hawaii and spent peacekeeping time in Egypt, Jerusalem and Israel. While serving our country, his sense of humor was never dampened.

His Army comrades tell stories of blue hair that he tried to pass off as a natural color, falling asleep on the beach which resulted in an article 15 for his terrible sunburn and his commanding officers always wondering what antics "Tolman" had been up to on his time off. Jeremy always kept life in the barracks fun and interesting.

After Jeremy returned home from the military, he began work at Hexcel

Corporation. He made great friends and continued his employment until Huntington's Disease made it impossible to continue to work.

Jeremy lived life to the fullest and travelled the world with his "brothers from other mothers". He loved to go clubbing and show off his "sweet moves" aka rock and swing his arms wildly. He always looked forward to family karaoke parties and always had to sing Abba's "Dancing Queen" and "I Feel Like a Woman" by Shania Twain.

Jeremy's most cherished moments were hanging out with his friends and having large family dinners and events. Family was the most important thing to him, every Christmas he would gift each family gift certificates to the same restaurant with the understanding that no one could use the certificate until the entire family could go together.

He is preceded in death by his father, Gary Tolman. He is survived by his mother, Carma Andersen Tolman, his brothers and sisters: Elaine Dennon, Mark (Cindy) Dennon, Shelly (Jack) Fenn, Andy (Stevie) Thurber and Brad (Teresa) Thurber. He is also survived by numerous nieces, nephews and lifelong friends.

*Just wanted to thank god with every grain of my heart and soul for every moment I and my family have had on this spinning blue planet with Jeremy R. Tolman. I understand why you wanted him back and I feel so very grateful you saw fit to show us a taste of what a great person could be. Tell him watch over us like we watched over him and that the time was way too short....but oh man wasn't it worth it....so save my place in line...and we'll do it all over again... Cindy and I and the kids love you and will carry the piece of you you gave...FOREVER. Love you your big brother Mark*

“ One of My FAVORITE Memories. After Spike Quit working at Hexcel, he needed a Neurologist exam to get his S.S. checks. I took him to the Appt. as I knew the Place because my Neurologist was in the same Complex. They called us back & Spike wanted me to come with him so I did. After the nurse came in & gave Spike his gown to change into, I stepped out in the Hall. Soon after Spike sticks his head out & tells me he didn't wear any underwear. Ahh. I told him I would ask for another gown to put on the opposite way. Well Long Story short Neither Gown covered his Important parts. No Biggie Right Male Dr. Well the Dr was Training a Female Dr & since Spike disease was So Rare He ask if she could Join. Spike & I started Laughing So Hard We could Hardly Breath. His Personal Parts only came out a Few Times when She made him Lift his Legs One At a Time. Leave it to my Crazy Fun & Loving Friend to make a Dr Appt in appropriate. I Have Lot of Other Great Memories, But this Is So The Spike I will ALWAYS LUV & REMEMBER. I will See U when I Get there So Be Ready for a Big Hug. Luv U Lots Debbie Hicks
