“ *I believe that Jerry and I may have served in Viet Nam together. The Jerry I knew was from the Burley/Rupert, Idaho. I am so sorry to hear of his passing. He was a strong example of always doing the right thing; I have wonderful memories of his great example. Much love to his family, Micheal Nielsen*

“ *I met Jerry at the VA rest home in Salt Lake City in 2015. He was always kind and friendly and complimentary. I enjoyed his company and friendship. He always had a smile and a genuine laugh. He suffered greatly on some issues but had a genuinely positive attitude and faith in the future and in the Gospel of Jesus Christ. He will be missed, but his struggles are over and he's in a better place now. He always expressed love to those he knew. Love you too Jerry.*

“ I had the privilege of being Jerry's Branch President at the VA home for 3 years. I served on the High Council for two years prior to that. I really enjoyed Jerry. He was so appreciative of everything I did, he he had a good attitude about life. He had a great testimony of Jesus Christ, and I loved to hear him share it. I enjoyed the times that we spent talking about the gospel of Jesus Christ and praying together.

Jerry will be missed.
