“ *Happy Mother's Day*

You will be missed.

I will miss our candy bar teases.

I will miss your smile and laugh.

I will miss the chance to drop by when traveling through town.

If I forgot to call, you would always remind me.

Mom you were my newspaper reporter on all things and never skipped a beat.

You kept me informed on all things happening.

I will miss the updates on all cousins and relatives.

You Always Loved.

Love from your son

Jim

“ One of the very best memories of my mom in law was her contagious laughter! Any body that knew her knows exactly what I'm talking about. Even if you didn't know this Angel, you probably still know what I mean. Her spirit of adventure was hardly ever dampened by health issues, especially when it came to her sister Carolyn. Aunt Carolyn would stop by in a couple of different modes of transport, and off they went!! It was a little funny, some of us were worried, did she take her medicine? Does she have money? Did she take a change of clothes? We were the worry warts, she couldn't wait to climb in and GO! Some of us just seemed to know she'd be okay, and come back in the same condition. I'm just plucking a couple of memories out of tens of thousands, most of you know, it would be a mini series on t.v. just to go on with a few more. I'm so very happy and pleased that we are still blessed with her dear brother and sister in law, Aunt Barbara and Uncle Joe. We all love them very much. Joan's love for her children was never ending, and still lives on. She took loving care of her son Ren, that needed her most. There are just not enough fingers and toes on all the people in Davis County to put a number on just exactly how many friends she had, and still has spiritually. Joan, YOU are one class act, one I'll never in two or three lifetimes, ever forget! I regret not telling you I love you as much as I should have! I do not regret sharing much of my life with you as my mom in law. Never will. Rest in eternal peace and love forever more dearest Joan.
