

Joanne Beverly Betty Patane Savini

March 20, 1963 - May 15, 2023

Galumalemana Joanne “Beverly” Betty Patane Savini, a beloved wife, mother, grandmother and sister passed away surrounded by her family on May 15, 2023 at the tender age of 60. Beverly was born on March 20, 1963 in Auckland, New Zealand and Moved to the United States when she was only 9.

Beverly dedicated her life to helping others and making a positive impact in her community. She worked as an education counselor for Waterford Upstart and loved her job, especially her fellow colleagues who cared for her until the very end.

There is but one phrase that could describe Beverly's earthly existence : she “went about doing good” (Acts 10:38). Whether it was in her capacity as a Boy Scout Leader that mothered many Eagle Scouts who still remember the deep and wide wells of wisdom and love she shared, or in her service as Relief Society President in her ward, Bev was restless in serving her fellow brothers and sisters.

She loved music, dancing, sports and her energy was contagious. Her love for her family was immeasurable. She adored her seven grandchildren and cherished the moments she was able to spend with them.

Her tenacious spirit of giving persisted even through a terrible cancer diagnosis that eventually weakened her body, but never her heart or her spirit. After fighting valiantly for more than a decade, and giving all of herself to all and any who needed her, Bev passed into eternity leaving behind a legacy of love, her last gift to her Savior.

Beverly is survived by her loving husband Lewitt Hitisone Savini and their 2 sons and 7 grand jewels:

Moriancum (Elina 'Nikki' Vaitu'u)

Baby Lew, Jaxson, Nheveene

Mckay (Maryland 'Apitanga Heimuli)

Bumper, Lose, Baby Malo, Baby Joanne Beverly's namesake.

Her legacy will continue to live on through her family, friends, and all those who were blessed to be loved by her.

She also leaves behind her father Misiona Patane Sr., and her five siblings: Misiona "Junior" Patane, Martin Patane, Adele Tovio, Charles Patane and LeTasha Soliai.

Rest in peace, our beautiful and sweet Galumalemana Joanne "Beverly" Betty Savini

Until we meet again at Jesus' feet.

“ My favorite memories of my dear cousin Beverly is when she use to drive from Carson to Garden Grove every weekend with her possi Palolo, Pa'iao, Mata, and Sami to spend the weekend at our house in Garden Grove. Dad had a Rugby league in Santa Ana so Friday nights when they arrived there was a lot of laughing, listening to oldies, and getting things ready for the rugby games on Saturday. This included making halfmoon pies for the team. Bev always made sure to include me in their fun even though I was younger then them. Sometimes this could mean a walk to McDonalds on McFadden and Harbor from our house for a late night ice cream sunday or cone. As a young teenage girl in high school having a beautiful cousin like Bev to look up to was really cool. Saturday's after rugby games Bev and her possi would get ready to go out to a dance at Jerome Center with a night out at Makanaheis night club. It was so fun watching them dolled themselves up for the night. Bev was the leader of her beautiful possi and they always seemed to be running late to the Jerome dances. Mata was always blamed for their late arrivals.lol Sunday of course they were to late to church. After church Bev and I would make a big pot of chowmain along with some mulipipi for kooga'i. She loved mulipipi. There was always a lot of laughter, singing and dancing when Bev was around. My favorite thing about my dear cousin was she was more like an older sister than a cousin. Over the years we stayed in touch and kept our Strickland and Patane family connected. We would have many deep discussions about life and updated each other with family gossips. The one thing Bev instilled in me was to have faith and everything will work out. Bev thank you for being the best older sister cousin to me. I love and miss you very much. "Until we meet at Jesus feet," my dear sister. Love your favorite little sister cousin
