“ *Troy and Jane,*

I send my condolences and to you both and your families. I am sorry I didn't get a chance to greet you in person at the funeral today. Jeff gave a wonderful tribute to JoElla! I worked with your mom at the Salt Palace for several years. We became fast friends. She was my Work Mom as I liked to call her. She was such a special lady. You and your families were her everything! I will always remember her.

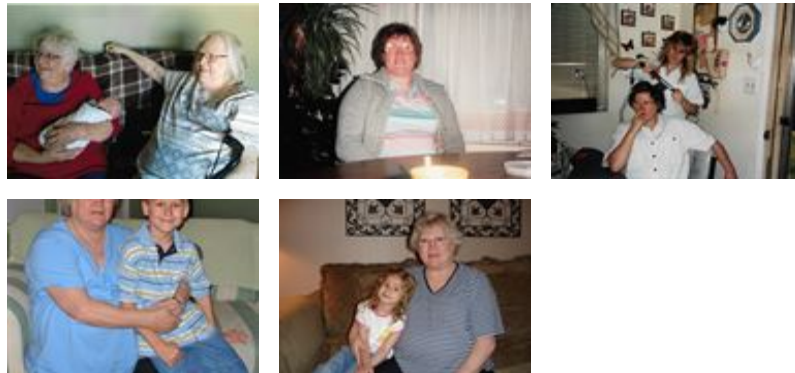

There really aren't the right words to help those suffering from grief. My prayers for comfort are with you.

*With love,
Stacy (Bailey) Page*

“ *I was so shocked by the news of JoElla's passing. So many memories of good times with her at the Salt Palace for over 20 years. Fun, lunch, laughter and talking about the box office! Those were the days! You have my prayers and my heart hurts for you, Troy and Janie. (Jane). She talked of you often and cherished everything you did for her. She was blessed to have you around her. She was a great friend.*
Love & prayers, Marjean
