“ *Becoming part of this amazing family by my daughter Haley marrying Joey's grandson Brandon has been pure joy and a profound blessing. I loved all my conversations with Joey especially sharing our love of Buffalo wings. He always found a special way to make me feel welcomed and truly part of his family. I will miss you and that beautiful smile.*

Rest easy Papooh ❤️

I was thinking about my days working at Oakland Container Terminal & the men I worked with there. While Googling their names I came across Joe's Obituary & am sad to learn of his passing ! I was 19 when I started working with him in 1974 & twelve years later in 1986, I left when the terminal changed hands. Joe was a great guy to work with & eventually for when he became the Maintenance Foreman. It could be hard work, but we managed to have a lot of fun too. Slingshots, pellet guns, bows & arrows, blow guns, chess, poker, basketball, fishing, fireworks & countless other pursuits ! I bought a new home in Suisun City in Dover Terrace South & Joe bought one there too ! It's nice to see that he had a rich life of family & friends after we parted ways & I'd like to express my sincere sympathy to his family !!!

“ *Papoooh was everything and more. He was such an amazing grandpa and supported us kids in everything we did. He made my childhood so exciting with all the golf cart rides and trips to the buffet in Las Vegas and coming to so many softball games to cheer me on. He was also such an amazing loving great grandpa to my babies.*

Gonna miss that old man of ours so much ❤️
