“ *I wanted to share what my grandson Tristin said when we came for funeral: he saw picture of Jesus & said he died & I said yes & he said he lived again & I said yes, then he said (grandpa) will live again, I said yes. I said we will say goodbye tomorrow & he said I will tell him to wake up. He first met Dad in Aug but he connected & he loved him. I am so glad he was able to know Dad.*

“ *Howard gave me my first job as I graduated from Clearfield High as a journalism major. I learned so much from this wonderful man. He truly loved the newspaper business and shared his professionalism at every corner. I was good at my job because of him and his encouragement to learn the business inside and out. He taught us all to excel in wherever life took us. He and Bonnie were there for me in difficult times and I treasure those years from long ago. Death leaves a heartache no one can heal, love leaves a memory no one can steal Thoughts and prayers to the family. Pat Groustra*
