

Jon Ralph Humphrey

February 24, 1954 - February 22, 2022

Jon Ralph Humphrey, 67, was born February 24, 1954 in Logan, Utah to Rufus William and Marie Weston Humphrey. He passed away peacefully on February 22, 2022 at his home in Draper, Utah after a 2 year battle with cancer, released to continue the Lord's work on the other side of the veil.

As a young adult, Jon served a mission for the Church of Jesus Christ of Latter Day Saints in the Mexico City, Mexico Mission. After returning home from his mission, Jon met and was sealed to his eternal companion. They were blessed with four children, of whom he was very proud. During their 45 years of marriage, he loved traveling with his wife and his family and spending time with his children and grandchildren.

He was always generous with everything the Lord gave him, sharing what he had with all around him. He held many leadership positions in the Church. He served in the temple regularly throughout his life. Jon loved scouting and was involved in scout leadership during his adult life. He and his wife served as service missionaries for the Church of Jesus Christ of Latter Day Saints in the Salt Lake City Inner City Mission for 6 years, working with both Spanish and Portuguese speaking people.

Jon was a hard worker both at home and at work. He was a jack of all trades: regularly jumping in and fixing anything. Like his carpenter father, he had a

knack for building and was directly involved in the construction of 3 homes for his family. He graduated from Sacramento State College with a BS in Computer Science, and later graduated from the University of Phoenix with an MBA. Jon spent his career as a software engineer. He had his start during the emergence of computer technology and saw much of its incredible growth during his lifetime, successfully keeping current in an ever changing field.

Jon is preceded in death by his parents Rufus and Marie Humphrey, and his brother-in-law Charles Brukl. Jon is survived by his wife, Sandra Ward Humphrey; 4 siblings: Albert (Sharlene) Humphrey, Penelope Brukl, Neall (Leslie) Humphrey, Rosemarie Pierson; 4 children: Jessica (Michael) Allen, Brad (Lindsay) Humphrey, Spencer Humphrey, Nathaniel Humphrey; and 7 grandchildren.

“ I worked with Jon many years ago at Blue Cross Blue Shield of Utah when he was a contract computer programmer. I so enjoyed the many conversations I had with him. He was a delightful person to work with. I had no idea that he had been sick and had passed away.

We are having the missionaries over tonight for dinner and I was going to tell them a story that Jon told me. It is a very spiritual story and I wanted to share it with the Elders. I thought I would check and see if Jon was anywhere on Facebook but I couldn't find him and then I thought I would just Google his name and that's when I found this obituary.

So sorry to hear that he has passed away. He was such a fun guy and dedicated to his faith. His wife made a little outfit of a tuxedo for my son when he was born for his baby blessing. I still have that and that son is now 35 years old!

I will always remember him as such a fine person!

“ This picture is how I remember Jon, smiling and with a camera. We roomed together in the summer of '72 picking the pine. At school and church Jon was not dressed without his camera. He helped me get a job with him at the Pied Piper restaurant when we got back. I am very blessed that two of my friends, Glenn Singley and Jeff Collette put me in touch with Jon the last couple of months. He bore his testimony to me, talked about his love for his wife and family. Jon was at peace and had joy in his life. I look forward to the reunion on the other side.

“ Jon, is a such an amazing, giving, kind, humble and always cheerful person I ever met. He always welcomed people with whatever there backgrounds were and embraced completely. He was always willing to learn and nurture others in need. He only spread positivity. I have learnt so much working along with Jon, he is just not a colleague but a great person I admired dearly. Really miss you Jon, may angles welcome with open hands. Please accept my sincere condolences and may family members gain strength and heal during this tough times.

“ Jon and his wife helped train us in our mission. He is one of the most humble, and Christ- like men I have known. His faith and trust in the Lord's plan for his life was inspiring. Those who knew him were changed just by the loving and faithful spirit that emanated from his soul.

“ What a shock to see this announcement. The Humphrey's were wonderful neighbors in Sandy. We lived across the street and considered them dear friends. We can still hear Jon's laugh and see his infectious smile. He was always happy. We will forever be grateful for all the years in TransWest raising our children together. Love to Sandi and family. Our thoughts and prayers are with you. Love - Kim and Jeanie Bowerbank

“ Jon and Sandi have been dear friends of ours for 37 years, and next door neighbors for 34 of those years. They are incredible people whom we have learned to love very much. With way too many marvelous memories to mention, suffice it to say it has been a wonderful and blessed "ride". We know Jon has moved on and is happy. We will do our best to help Sandi and her family remember him and receive any needed comfort we can provide. We love you all.

Oh Jon! I had no idea that you were even sick! Lol! You always had a smile and a camera! I remember a great adventure where we, your friends went to Mexico with you to visit your past mission stomping grounds. I believe we were home a month!? Visiting with members and non members. Hiking, driving above the rainforest, camping out in a farmers field and awakened by sheep farmers! Trying to speak the native language, the people so friendly and happy!!
I remember you Jon missing Sandra and returning home early!
Couldn't believe you were really home sick! Lol! That's all it took! Your lovely Sandra! 41-45 years!! I can only imagine the wonderful husband, Father, you were! Now reading your obituary it is all true! So sorry Sandra, it is never easy saying goodbye till we meet again! Even when we know we'll be together again!! May memories live on in your heart and be shared often with family friends and loved ones everywhere!
Thank you Jon for your great example of a righteous man, honoring his Priesthood and sharing your light to all of us!! God bless Sandy and watch over you and yours till you truly do meet again how joyous it will be! Love to you both and family 🙏👩❤️, Jaydean Fox McKay
