"Tiny Angel, can you tell me why you have gone away? You weren't here for

very long... why is it you couldn't stay?

Tiny Angel shook his head: "These things I do not know... But I do know that ya'll love me, and that I love you so."

If tears could build a stairway and memories a lane, I'd walk right up to heaven and bring you home again.

“ *Rest in peace*

“ *Please accept my very sincere sympathy for such an especially sad loss. To lose a child is beyond my comprehension; your pain must be immeasurable. I never met Jordan and I don't know your family, but I heard of this tragic story and wanted to take a moment to express my condolences. I know that there are no words that I can say to take away your pain, but please take comfort in the words of Psalm 94:17-19. Although your pain may at times seem insurmountable, rest assured that God will give you the strength necessary to endure. And although your time with Jordan was far too short, you can have the hope of being reunited with him forever, under perfect circumstances. Please accept my deepest sympathy and sincerest condolences.*
