

Joseph Michael Jacobs Sr.

December 7, 1954 - June 5, 2022

Joseph (Joe) Michael Jacobs Sr, loving husband, father, brother and friend passed away on June 5th, 2022 at the age of 67 from serious medical conditions. He showed his courage by facing life's challenges with a smile. Despite the pain, Joe remained optimistic and strong until the end.

Joe was born December 7th, 1954 in Salt Lake City, UT to Virginia Salisbury Pearson (Mother) and Raymond Boyce Jacobs (Father). Joe grew up in Kearns, UT and was one of 8 children: Maureen, Jackie, Rick, Jenny, Christine, Paula, Pat. Joe had many talents and through diligence and hard work he earned his Eagle Scout award. As a young adult he enjoyed camping, water skiing, fishing and hanging out with his friends. Joe had the natural ability to make lifelong friends with everyone he met, including his sister/best friend Jenny (they remained thick as thieves til the end).

Joe married Mary Cushing June 14th, 1979. Together they raised three children Tristen, Amber and Joey in Magna, UT. They went on countless camping, fishing and hunting trips. Nearly every weekend was an adventure. Some of the more notable trips included Yellowstone and Lake Powell.

Joe grew up hunting and fishing with his father and friends. He passed this passion for the outdoors to his kids and anyone else who was willing to learn. Joe could fish 24/7 rain or shine. He loved to say "women love me and fish

fear me.”

Joe was a hard worker. He worked in construction and went on to become a journeyman brick and stone mason. Joe worked for several contractors and later went on to get his General Contracting License. In 1996 Joe and his dear friend Chuck Taylor started their company, TJ Masonry. Together they ran a successful business. Their work can be seen throughout Utah and many other states.

On June 7th 2003, Joe married Dianne Butterfield. Through this union he gained another family and group of friends. He enjoyed spending time with Darci and Rob Yardley and the O'Donnell Family. They went on many adventures, most notably Mexico, Alaska, Moab and Hawaii.

Joe spent a great deal of time in Manila, Utah where he transformed a small modular home into a beautiful fishing retreat. Manila offered easy access to Flaming Gorge, his absolute favorite place to go fishing and hunting. Joe worked for Daggett County as a maintenance worker at the Jail. When they found out he previously had a contractor license, they put him to work building many projects. Joe had many close friends in Manila and spoke of them often.

Joe's infectious sense of humor and kind heart was only part of what made him great. Joe was good at whatever he put his mind to, and had a natural ability to figure things out. Joe was generous with his time to help family, neighbors or anyone else that needed help with anything. He was a jack of all trades, a master of some, and always willing to impart his knowledge to others.

He was preceded in death by his father Raymond Boyce Jacobs, mother Virginia Salisbury Pearson, sister Jacquelyn Adams, brother Rick Jacobs, and son Travis Barker. Joseph leaves behind his wife Dianne Jacobs, daughter

Tristen Turville and husband Sam, daughter Amber Hammond and husband Jon, son Joseph Michael Jacobs Jr. and wife Nina, Heather Barker, Darci Yardley and husband Rob and many Grandchildren.

“ *I knew Joe from his time at the Jail. Because of his knowledge the county asked him if he would build a new Sheriff's office. With the help of the inmates, they got it done. And it's gorgeous! He had an infectious laugh & he was always cracking jokes. A very good man. Bye bud!*

“ I met Joe when we were both in our early 20s. Joe was the kind of person that other people were drawn to. He was a caring and giving person, I feel that is why so many called him their friend. Joe was a giver and a teacher for all he cared for. He was always willing to share his knowledge, wisdom and experience with you. I will always remember the person I called my friend, and cherish the times and memories we shared and created together. Look upon us and remember, as we will, how much you meant to us. Life well done my friend, life well done.
