“ *Our sweet Grandma Juanita was laid to rest today. The first day I met you, you treated me like you've known me my entire life, like a Grandma would. You were so excited to meet Chamber and held him for hours! You were just in Awe with him. Everything he did, you laughed so hard and smiled so big. I'm so thankful for the time we had with you. I loved listening to your stories, how you and Art met- and all about your kids! You're the sweetest soul!
May you Rest In Peace and love.
Loving you- Matt, Kayla and Chamber Gunn

“ *I remember walking as a family with her to sing Christmas carols and give gifts to neighbors in need. Grandma was as selfless as they come and it shows in her children and all who cherished her. I'm a better person because of my relationship with Juanita.*
