“ *Dear Stacey and Brother Farmer
I am so sorry you lost a special mother and eternal companion. The gospel has taught us that families are forever. May that bring you peace. One of my favorite scripture is D&C 84:88. Now you have angels round about you to bear you up.

“ One of my favorite memories of Judy is when we visited Richard and Judy in California. Bernell and Judy both love ice cream, and decided to have a contest to see who could eat a half gallon of ice cream the fastest. Bernell ate fast, and Judy savored each bite. Later that week we visited the almond factory outlets, took the motorhome up to the Redlands and back down to Hollywood where we met up with Richard and visted the Hollywood Walk of Fame at what was then called Grauman's Chinese Theatre to see the footprints of the stars and other fun places. I loved having her for a sister-in-law. We could sit and talk forever. I will miss her.
